COMPANY PROFILE

WHO
WE ARE

ABOUT
US

We specialize in providing our clients with state of the art integrated, end-to-end technology solutions and consulting services in construction, electrical and low current systems that are customized to fit the needs of our clients in both public and private sectors across the Kingdom.

Ace Solutions is a Saudi contracting company that was founded in 2019, our headquarters is in Riyadh and we serve all over Saudi Arabia. Our team consists of top tech experts that are willing to go above and beyond to execute their projects with finesse and excellence

VISION

To be the leading one-stop-shop for technological services and products

MISSION

Offering a wide range of technology solutions, IT, security systems and power technology with a specialized team of skilled individuals working towards providing the best solutions for your project
